

# PROJECT New Look/Great Lakes Girls Collaborative LAUNCH: Illinois/STEM Equity Pipeline

Date:  
October 2, 2008

Place:  
Trutter Center at  
Lincoln Land  
Community College,  
Springfield

Time:  
9:00 a.m. - 3:15 p.m.  
(lunch provided)

## Purpose:

Participants will gather information about three Illinois initiatives which support the success of Career and Technical Education special populations, especially learners preparing for nontraditional careers, including STEM (science, technology, engineering, and mathematics). Participants will have opportunities to network with other Illinois professionals who are impacting the achievement of CTE special populations.

## Who Should Attend?

New Look Sites and parties interested in learning more about National Girls Collaborative project grants and STEM Equity Pipeline.

## Where do I sign up?

The project launch is an opportunity to gain insight into new resources that are available assist you in supporting special populations students and specifically students pursuing nontraditional occupations. To learn more about the day and to register visit [www.icpsp.lishtu.edu](http://www.icpsp.lishtu.edu).
